RIVIX.CA

Custom Apparel Production

RIVIX helps companies produce clothing for workwear, uniforms, hospitality, healthcare, retail, fashion, sports, events, and promotional programs.

We manage the full process across fabrics, trims, labels, packaging, production, and delivery so the finished order matches what your team approved.

Logistics & Freight Handling

We manage shipping by ocean, air, or courier with tracking and customs handled.

Fabric & Product Sourcing

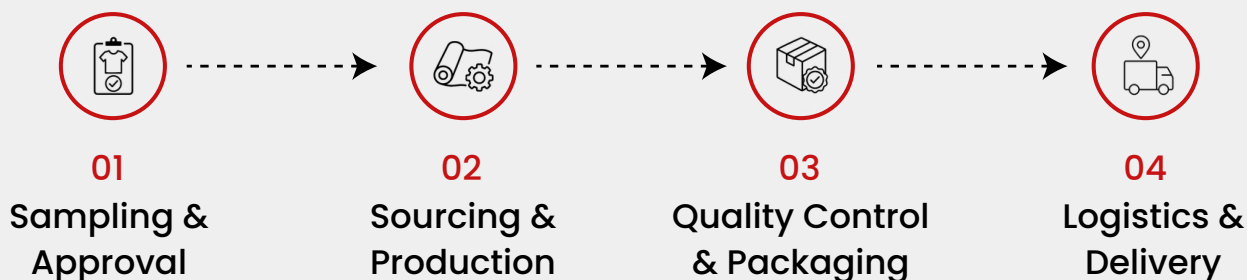

We coordinate fabrics, trims, packaging, and garments so quality stays consistent.

Private Label Compliance

We make sure every tag, label, and package meets brand and legal requirements.
