I am a dynamic Startup Consultant & Strategist with over a decade of impactful experience throughout North America, including the USA and Mexico. My passion lies in revitalizing struggling businesses and successfully launching over 196 startups across a wide range of industries, such as commercial, industrial, construction, trades, food, hospitality, retail, and healthcare.

- I specialize in crafting and executing powerful marketing strategies, streamlining HR operations, and driving significant operational efficiency. I thrive on leading both small and large teams, fostering a collaborative spirit, and delivering exceptional customer service. Within just 90 days, I have consistently delivered savings of over \$60,000 for my clients by optimizing their business operations.

- My expertise in transforming business models helps to enhance profitability and achieve strategic goals, paving the way for long-term success. Moreover, as a dedicated leader and mentor, I empower teams and organizations to realize their full potential, focusing on personal growth and cultivating vibrant, positive work environments.
